Career Objective

"I am eager to begin my career with a forward-thinking company where I can continuously learn, develop new skills, and contribute meaningfully to achieving organizational goals. With a strong work ethic, a creative mindset, and a deep passion for Graphic Design and IT, I am excited to bring fresh ideas, dedication, and energy to a dynamic team. I am committed to growing both professionally and personally while helping the company move toward greater success."

Key Skills & Technical Expertise

- ♦ Graphic Design Principles (Typography, Color Theory, Layout)
- ♦ Logo Design
- ♦ Social Media Post Design
- ♦ Branding and Visual Identity

Education

🎓 Certification in [Graphic design - Ui Ux] - TOPS Technologies, [2025]

🎓 Bachelor's Degree in [BA] - [Mohanlal Sukhadia University, Udaipur], [2024]

Projects & Practical Assignments

♦ Project 1: [Project Title]

📌 Description: In this project, I designed an attractive poster for a social media post. I used elements like colors, shapes, and typography to grab people's attention. The poster was made to promote a product online. I focused on using clear fonts, balanced space, and bright colors to make the design look professional and eye-catching.

🔧 Tools/Features: [Adobe illustrator]
